Pokemon One Shot Lemons

Hey guys! First lemon I wrote. Its short. Feel free to suggest stuff to me, I will try and get stuff out every week.

Note: This is a LEMON which is pornography in the form of writing. If you do not feel comfortable viewing it, or are under 18, you should probably leave.

><p>Its 3:00 in the morning. Its raining outside. Your trainer, Ted, is outside, catching pokemon. You yourself are a pretty fine Lucario, Cup C, average curves, for a Lucario at least, although you aren't the best pokemon at fighting. Ted mainly has you as a pet, mainly to do jobs around the house. You are quite fond of him, though he, at some times, treats you like a slave. You mainly do as he says.<p>

While you are lost in your thoughts, he calls you in. A Weavile has been causing trouble in the yard for quite some time, and he just found it and trapped it.

"Could you go and deal with it, Lu?" He commanded.

He calls you Lu sometimes, you don't really care for it much. It gets annoying sometimes..

You notice the Weavile prancing around, and you make quick work of it with Close Combat. The Weavile tried to fight back, but you overwhelmed it.

"Good job, Lu!" Said your trainer. "I have a.. Reward.. For you."

He leaded you inside, wondering what just might be in store for you. As he lead you into the room, you noticed he had a bulge in his saggy jeans. He quickly took off his pants, and then his boxers. You peered at his 7 inch manhood. It was huge, and pretty thick.

You knew Ted was a Pokephile. You talked to his other pokemon before. Mainly, a Blaziken, a Gardevoir, and a Zoroark, but you never imagined he would want to do it with you.

"Come, lean down on this bed." Ted noted, not exactly nice, but not really mean either. As you leaned on the bed, your womanhood showed and welcomed him. He quickly got into position and drove into you with his member. You moaned his name as he struck into you, a bit louder each time. His manhood soon reached its climax, and came. At this point, it was starting to hurt.

Quickly, he grabbed your right leg and positioned it at his waist, and his member teased your folds. You quietly moaned his name, as the pleasure kept arousing you. He then picked up your other leg, and wrapped it around his. He proceeded to dive into you, showing his full length inside your entrance. He pumped fast, hitting your G-Spot several times. As he dove in, you moaned his name loud, and came. However, he was not finished. He dropped you down onto your legs, and made a grunt, almost commanding you to suck his manhood. You grabbed his 7 inch member and stroke it, but he wasn't very pleased. You took his entire manhood into his mouth, and a few minutes of intense sucking, he came.

After awhile, you fainted, unaware what happened next.

><p>How did you enjoy it? I will probably make longer ones in the future. That is, if I don't procrastinate. Like I always do. Make sure to review and send me commissions. I take most requests.<p>
